EDUCATION

GLA UNIVERSITY

B.TECH(HONS)

Computer Science and Engg
2021-2025

CGPA: 8.73/ 10

GYAN DEEP SHIKSHA BHARATI

INTERMEDIATE

stream: Science

2020-2021

percentage: 95.6%

GYAN DEEP SHIKSHA BHARATI

SCHOOLING

board: CBSE

2019-2020

percentage: 96.4%

COURSEWORK

Data Structures

Competitive Programming

Program solving

SKILLS

General Programming

C• Java• Javascript

• Python

Databases

• SQL

OS

linux• Window

Version Control

Git/Github

Other

HTML/CSS

• ML(Google Colab)

Data Visualization

EXPERIENCE

Google Cloud Career Practitioners Pathway campaign |

Nov 2022 - Dec 2022 | Google Cloud

Learn developing applications with google Cloud Platform, learn the formation and deployment of kubernetes and many other things.

Job Oriented Value Added Course Training

June 2022 - Aug 2022 | [Competitive Programming](#)

Solve 250+ questions of LeetCode and build problem solving skills.

Worked on UI/UX and open source contributor.

Goggle Cloud Ready Facilator Program

April 2022 - July 2022 | • Works and exploring Google Cloud

PROJECTS

Boston-House-Price-Prediction

December 2022 | Data Visualization | Machine Learning

- Project based on research and development model.
- Worked on machine learning algorithms, classifications, logistic and linear regressions. Predict and worked on datasets.
- Worked Under Head of Department of R&D, GLAU.
- Used algorithms for predictions and classifications of data sets. Learn and worked on online resources for research and development.

Data Visualisation Projects

Oct 2022 | Jupyter, colab, python

- In this complete repository I have done Data Analysis on several datasets Like Black Friday, income prediction and many others.

Advanced To-Do List

April 2022 | HTML | CSS | Javascript

- website to show the visualization of algorithm for understanding of algo like insertion and selection sort, linear and binary search

ACHIEVEMENTS/AWARDS

2022 Aug Innovative India Coding Championship(2) AIR: 2680 2022

2022 Jul Innovative India Coding Championship(1) AIR: 1590

2022 Jul July lunch time (Codechef contests) Global Rank :282

INTERESTS/ACTIVITIES

Competitive programming ([GOLD MEDALIST](#))

Active competitive programmer with current rating in sites:

CodeChef- 1444(2*), Leetcode(200 Problems)

Competitive Programming Co-Lead At GDSC GLAU.

Certified From Microsoft Azure Certification.

Part of super 150 program(top 150 coders)in GLA University

DECLARATION

I hereby declare that all the above mentioned information is true and correct to best of my knowledge.
